DIVISION OF ENVIRONMENTAL HEALTH

February 20, 1990

Mr. Alcine Grillot
2708 Kreitzer Road
Dayton, Ohio 45439

Dear Mr. Grillot:

This letter is a follow up to our meeting on February 15, 1990. As it was explained, changes in the Ohio solid waste regulations now prohibit any disposal or excavating activities from occurring on top of a previously operated landfill without prior approval from the Ohio Environmental Protection Agency (OEPA).

Under that premise, you must cease accepting fly ash until you have obtained approval from OEPA. As it was explained during the meeting, you must submit all of the information requested in Section 3745-27-13 of the Ohio Solid Waste Regulations to be considered for approval.

It was agreed that after March 1, 1990, you must stop accepting fly ash until OEPA has given their approval. In the event the request is denied, you are forever prohibited from accepting fly ash at this site.

It was also agreed that you may accept hardfill (brick, rock, concrete) at this site if you so desire, and you may also continue to operate your recycling operation.

Periodic inspections of this site will be conducted to ensure compliance.

If you have any further questions concerning this matter, please contact either myself at 225-5917 or Tom Hut at 225-5909.

Sincerely,

Tracy L. Graef, R.S.
Bureau of Special Services
